GRAPHIC DESIGNER

Executes assignments ranging from production work for print & digital marketing applications, file management, and conceptual design. Mediums include posters, menus, direct mailers, digital signage, email blasts, and promotional content.

GRAPHIC DESIGNER

Rebranded new visual identity & generated graphics and photography to meet promotional needs such as marketing material, merchandise design, digital assets, logos, and more.

GRAPHIC DESIGNER

Created visual assets for "Call of Duty", "Spyro", and "Crash Bandicoot" franchises for social media, marketing campaigns, in-game assets, and various other internal design projects.

GRAPHIC DESIGNER

Developed company's visual identity, created logos and branding for their web series, constructed assets and fostered marketing campaigns for a multitude of creative projects to cater to their 16+ million subscribers.

GRAPHIC DESIGN INTERN

Assisted in a wide-range of projects including toy packaging, illustration, product rendering, logo/branding and environmental design.

DESIGN INSTRUCTOR

Composed and taught a curriculum to students consisting of materials including Adobe Suite (Photoshop, Dreamweaver, Lightroom), self-coding HTML, DSLR photography; all skills to develop a portfolio by end of the course.
